Aloha!

If you do not have insurance and have been told you have cataracts, we may be able to help!

We are pleased to announce the first annual Cataract Days project! On Monday, March 20th, 2017, we will be conducting **free cataract surgeries** for those who don't have insurance, or for those who do have insurance but cannot afford the copays.

Mandatory pre-operative exams will be held by appointment on March 11th. If you do not have a general practitioner, physicals and surgical clearance will also be available that day. Mandatory post-operative exams will occur at 7:00am on March 21st. All appointments will be held at the Hawaiian Eye Center in Wahiawa. Bus passes and/or shuttles will be provided, if necessary.

Please note that we are unable to assist anyone with vision insurance and will confirm the status of coverage.

Please **call or have your caseworker contact (808)536-3961 or darrah@hawaiianeyefoundation.org to learn more** and to see if you qualify.

This inaugural effort is sponsored by the Atherton Foundation and presented by the Hawaiian Eye Center, Project Vision Hawai'i and Hawaiian Eye Foundation.

If you are interested, please **call soon as our list is filling up quickly.**

Mahalo,

Hawaiian Eye Foundation
